

Residential products and services guide

You've built your reputation - we're here to protect it.

For over 30 years, ACQ Résidentiel has been a trusted partner for contractors in Quebec's residential sector. We are here to guide you through your construction, renovation, or rental development projects, so you can focus on what you do best: building with pride and exceeding your clients' expectations.

Our credibility is built on strong relationships with partners, clients, financial institutions, and government agencies. This recognition allows us to provide concrete, hands-on support, letting you concentrate fully on your expertise: building, renovating, and delivering projects that meet the highest standards.

From our guarantee plans and security bond solutions to conflict resolution services, technical expertise, and inspections, we are with you every step of the way. Choosing to work with us means partnering with a trusted ally who highlights the rigor, professionalism, and overall quality of your work. You are committed to completing each project to the highest standards-and we proudly guarantee it!
